

Various items have washed ashore on the islands of Okinawa. In this program, participants will contribute to protection of nature and sustainment of the environment of Okinawa as they visit the MICE location. The program also enhances company CSR and elevates employee motivation.

**Fun Lunch at a BBQ Site**  
Open-air promotes conversation

The program is approximately 3 hours long and includes a BBQ lunch.

### Beach in Yomitan Village

First, a lecture on the ocean surrounding Okinawa is provided. Following the lecture, teams of 50 to 200 members are formed and each team is deployed along the beach with the instructors.

A certificate of appreciation is provided by the Yomitan Sightseeing Association. This program enhances the pride of employees and CSR in their companies.
